

Designation: Production Designer

Location: Chennai

Description

You will be part of a production team that is responsible for designing print advertising for global media companies. You will work under the guidance of your team leader to produce print ads for customers based on the specified layout, copy and instructions. You will be working in a dynamic, deadline-oriented environment where turnaround times will range from 4 hours to 12 hours.

Responsibilities

- Completely understand the Customer's Requirements
- Design and produce high quality complex print ads
- Pay attention to the detailed aspects of an ad to ensure high accuracy in copy, layout and technical execution.
- Complete assigned volume of work within established deadlines
- Continue to learn new concepts and skills

Skills

- Strong verbal communication
- Good Eye for detail

Experience/Education

- Any Graduation / Post graduate in Multimedia or Designing equivalent qualification would be preferable.
- 0 to 5 years of experience in designing using following software, Adobe Indesign, Photoshop & Illustrator.
