

Position – Digital Designer

Location – Bangalore and Chennai

Description

As an Executive team member, you will be part of a creative production team that is responsible for designing online advertising for global media companies. You will work under the guidance of your team leader and senior web designer to produce online ads for customers based on the specified layout, copy and instructions. You will be working in a dynamic, deadline-oriented environment where turnaround times will range from 4 hours to 12 hours.

Responsibilities

- Completely understand the Customer's Requirements
- Design and produce high quality complex online ads
- Pay attention to the detailed aspects of an ad to ensure high accuracy in copy, layout and technical execution.
- Complete assigned volume of work within established deadlines
- Continue to learn new concepts and skills

Skills

- Strong verbal communication
- Good Eye for detail
- Interface Designing
- Knowledge in 2D animation

Experience/Education

- Any Graduation / Diploma. Multimedia or Designing equivalent qualification would be preferable.
- Knowledge in web designing using Animate CC, Photoshop, HTML & CSS
